Have peace of mind with the new Aquamate Collection of laminate flooring. Carb2 compliant for low emissions, Greenguard and A+ Floorscore certifications for indoor air quality. Aquamate laminate floors have undergone extensive testing – including the tough 72-hour water resistance test. Abrasion resistance test rated at AC4 for durability. For enhanced surface texture, EIR technology is used – to replicate the natural grain and look of real hardwood for a lifelike appearance. Each plank measures 9" x 72" x 1/2", seamlessly blending style and functionality. Aquamate features colored bevels on all 4 sides and a licensed 5G Valinge click system for an easy, fast and secure installation.
