

12 COLLECTION

The FINSA 12 Collection of laminate flooring, exclusively designed and manufactured in Spain; incorporates a harmonious proportion between the length and width of every plank, producing an aesthetically pleasing and realistic appearance. This collection is carefully designed to convey a perfectly balanced and natural feeling, ensuring a visually realistic and cohesive look for your space. With its exceptional format, along with up to 100 hours of surface top-down water resistance and a 48-hour lab-tested certified water resistance stipulated by NALFA; and high abrasion resistance rating at AC6, these planks offer a functionally seamless and captivating flooring solution for any room in your home.
