

SUNSHINE COLLECTION

The Sunshine Collection -- Grandeur's most vibrant collection of European oak engineered flooring. This collection features a stunning smoked & wire brushed texture and boasts an impressive 4mm veneer. Each plank in this collection undergoes a meticulous process, starting with several rounds of smoking to attain its striking and vibrant colors. Once the desired color is achieved, the smoking process is completed. Wire brushing is then lightly applied to enhance the innate beauty of the wood's natural grain.
