

REGAL PLUS COLLECTION

Our Regal Plus Collection is an evolution of the original Regal Collection, featuring all its most popular colors. It represents Grandeur's most exquisite and premium line of engineered hardwood flooring. Crafted from European White Oak, the Regal Plus Collection offers a variety of options including 6-inch and 7-1/2-inch wide planks, as well as herringbone patterns. Each plank is lightly wire-brushed to enhance the natural grain, built on 3.0mm of Select & Better (AB) grade veneers, and finished with a refined European stain for timeless elegance and durability.
