

CROWN LAND COLLECTION

Our popular Crown Land Collection of oak engineered flooring is bandsaw-marked and offers a durable 4mm veneer. Through the labour-intensive manufacturing process, the planks are smoked, saw-marked, and hand-sanded to achieve a beautiful standout colour that looks rich and gorgeous while still maintaining the natural beauty of the wood.

AVAILABLE ACCESSORIES

All engineered accessories are custom made for your order using the exact same flooring for a perfectly finished match that is not refundable or exchangeable. Please order at least a week in advance.
