Transform your space with Grandeur's XXL Collection of laminate flooring. This exceptional collection features an AC6 abrasion resistance rating, delivering outstanding durability for high-traffic environments. Designed with extra-large planks measuring 6 feet by 9 inches and a substantial 12mm thickness, XXL creates a remarkably realistic and expansive look. All Grandeur products are certified CARB2 and A+ FloorScore, offering peace of mind with respect to indoor air quality and material safety. Enhanced with Embossed in Register (EIR) technology, the XXL Collection delivers a lifelike texture that authentically mirrors the natural grain of hardwood, elevating both visual appeal and tactile experience.
