

METROPOLITAN COLLECTION

Our avant-garde Metropolitan Collection offers a beautiful and dynamic range in style. The neutral coloured engineered oak floors are all 7-1/2" wide, with the vast majority of planks being 6' long. The floors are naturally cracked and deep brushed with hard filler to give them their unique and signature look.

AVAILABLE ACCESSORIES

All engineered accessories are custom made for your order using the exact same flooring for a perfectly finished match that is not refundable or exchangeable. Please order at least a week in advance.
