

ESSENTIAL COLLECTION

Featuring a thickness of 3mm and offered in a diverse range of colors, this essential collection is suitable for a wide array of projects and uses. Grandeur's commercial dry-back includes a wear layer up to 0.5mm/20mil thick, currently one of the thickest available, fortified with ceramic bead coating for exceptional performance and longevity. Simple to install and maintain, Grandeur's dry-back vinyl is a top choice for both residential and commercial environments.
