SINGING SANDS

Discover the Beacon Collection of engineered vinyl flooring, a durable and versatile choice for both residential and commercial spaces. Featuring 7" x 60" planks with a 9mm total thickness, a tough 0.55mm / 22mil wear layer, and a water-resistant cork underlayment for added comfort and sound reduction. The surface features EIR texture with a durable ceramic bead coating, while the 5G locking system allows for fast and secure installation. Waterproof, pet-friendly, radiant heat suitable, and certified by FloorScore® and GREENGUARD, the Beacon Collection combines performance, comfort, and everyday practicality.
