

CONTINENTAL COLLECTION

Our new 6.0mm/7.0mm SPC Vinyl Continental Collection has a strong emphasis on trendy light coloured tones to positively brighten up your space. Perfect for basements, condos, & homes - even in areas that may come in contact with some water or other liquids. Our Continental Collection also comes with preattached 1mm/1.5mm soundrated underpads, which is acceptable for most condos (each condominium property management sets their own requirements for sound ratings). Please contact your condo management for details.
