TOBERMORY

Discover the new Inov 8 Collection of SPC vinyl flooring, a modern, high-performance choice for both residential and commercial spaces. Designed with an extra-thick 8mm total construction, a durable 0.5mm wear layer, and a 1.5mm underpad for superior comfort. Built with a 5G locking system, the surface is also treated with anti-bacterial protection, helping to maintain a cleaner, healthier environment. Crafted from safe, high-quality materials and available in a wide selection of colors, the Inov 8 Collection is ideal for light commercial use and basements.
